## Overview

---

Chulu East Peak is an exhilarating climbing destination located in the Annapurna region of Nepal. Standing at an impressive altitude of 6,584 meters (21,601 feet), it offers a challenging and rewarding adventure for mountaineers seeking to conquer a Himalayan peak.

Situated in the legendary Manang valley, the trekking trail for climbing this snowy peak is a memorable route which offers the most beautiful views on surrounding peaks, as well as lush green forests of Nepal. We will trek through the arid but the gorgeous valley of Manang, which indeed looks like the slice of heaven on earth. We will be able to enjoy the outlandish landscape of Manang and its unique settlement.

We will also trek through the green meadows. The view of majestic green hills is unforgettable. The trekking along the way to Chulu peak is adventurous and easy, but the peak climbing is tougher. We have to make use of different equipment in order to climb the peak. We will spend plenty of time for adaptation and acclimatization to high altitude.

## Trip Itinerary

---

### Day 1 : Arrival in Kathmandu

Upon your arrival in Kathmandu, you will be greeted by our representative and transferred to your hotel. Spend the rest of the day resting and preparing for the upcoming climb. In the evening, there will be a briefing session with your climbing guide who will provide you with essential information and conduct an equipment check.

## **Day 2 : Kathmandu Sightseeing and Preparation**

Today, you will embark on a guided sightseeing tour of Kathmandu, exploring its UNESCO World Heritage Sites such as Pashupatinath Temple, Boudhanath Stupa, and Kathmandu Durbar Square. In the afternoon, you will have free time to make any last-minute preparations and purchase any necessary gear for the climb.

## **Day 3 : Drive to Jagat 1300m - 9hrs**

Leave Kathmandu and embark on a scenic drive to Jagat, a small village located at an altitude of 1,300 meters (4,265 feet). The drive takes you through picturesque countryside, lush green landscapes, and terraced fields. Spend the night in Jagat, preparing for the trek ahead.

## **Day 4 : Trek to Dharapani 1960m - 5 hrs walk**

Start your trek from Jagat, following the Marsyangdi River upstream. Pass through charming villages, dense forests, and cross suspension bridges along the way. Trek to Dharapani, a beautiful village situated at an elevation of 1,960 meters (6,430 feet), and enjoy the stunning mountain views.

## **Day 5 : Trek to Chame 2710m - 6 hrs walk**

Continue trekking along the Marsyangdi River and enter the Manang district. The trail ascends through pine forests, offering breathtaking views of Annapurna II and Lamjung Himal. Reach Chame, the district headquarters of Manang, located at an altitude of 2,710 meters (8,891 feet).

## **Day 6 : Trek to Upper Pisang 3260m - 4 hrs walk**

From Chame, the trail winds through forests and follows the steep and narrow valley of the Marsyangdi River. Pass through the village of Telekhu and ascend to the picturesque village of Pisang, situated at an altitude of 3,230 meters (10,597 feet). Enjoy panoramic views of Annapurna and Pisang Peak.

## **Day 7 : Acclimatization Day in upper Pisang**

Take an acclimatization day in Pisang to adjust to the increasing altitude. Explore the village, visit the monastery, and hike to Upper Pisang for magnificent views of the Annapurna and Gangapurna peaks. This day helps to prevent altitude-related issues during the climb.

#### **Day 8 : Trek to Ngawal 3650m - 5 hrs walk**

Leaving Pisang, the trail traverses through alpine forests and barren landscapes. Enjoy the stunning views of Annapurna II, III, IV, and Gangapurna as you reach the village of Ngawal, situated at an altitude of 3,650 meters (11,975 feet). Ngawal offers a unique cultural experience with traditional stone houses and friendly locals.

#### **Day 9 : Trek to Chulu East Base Camp 4900m - 5 hrs walk**

Today, you will trek to the Chulu East Base Camp. The trail climbs gradually, passing through yak pastures and barren terrains. As you reach the base camp at an altitude of 4,900 meters (16,076 feet), you will be rewarded with stunning views of Chulu East and the surrounding peaks. Prepare for the climb and rest at the base camp.

#### **Day 10 : Acclimatization and Training Day at Base Camp**

Take a day for acclimatization and training at the base camp. Your climbing guide will provide a thorough briefing on climbing techniques, equipment usage, and safety protocols. You will have the opportunity to practice essential climbing skills and familiarize yourself with the equipment.

#### **Day 11 : Trek to High Camp 5600m - 5 hrs walk**

From the base camp, the trail ascends steeply towards the high camp of Chulu East. The terrain becomes more challenging as you navigate glacial moraines and steep slopes. Reach the high camp at an altitude of 5,600 meters (18,372 feet) and prepare for the summit push.

#### **Day 12 : Summit Day and Descend to Base Camp**

Today is the summit day. Start early in the morning, equipped with climbing gear and under the guidance of your experienced climbing guide. The final push to the summit involves traversing snowy slopes and negotiating rocky

sections. From the summit of Chulu East, standing at 6,584 meters (21,601 feet), you will be rewarded with breathtaking panoramic views of the Annapurna range. Descend back to the base camp.

### **Day 13 : Contingency Day**

A contingency day is included in the itinerary to account for any unforeseen circumstances such as adverse weather conditions or altitude-related issues. This day provides flexibility in case the summit attempt needs to be rescheduled.

### **Day 14 : Trek to Manang 3540m - 6 hrs walk**

Continue the descent from Base camp and trek to Manang, a charming village located at an altitude of 3,540 meters (11,614 feet). Manang offers a perfect blend of natural beauty and Tibetan culture, with opportunities to explore monasteries and interact with the locals.

### **Day 15 : Trek to Yak Kharka 4020m - 4 hrs walk**

Leaving Manang, the trail climbs gradually towards Yak Kharka. As you ascend, you will witness the transition from lush forests to alpine vegetation. Yak Kharka is situated at an altitude of 4,020 meters (13,189 feet) and serves as a grazing area for yaks.

### **Day 16 : Trek to Thorong Phedi 4450m - 4hrs walk**

The trail continues to ascend as you trek towards Thorong Phedi, the last stop before crossing the Thorong La Pass. Thorong Phedi is located at an altitude of 4,450 meters (14,599 feet) and offers magnificent views of the surrounding peaks.

### **Day 17 : Cross Thorong La Pass and Trek to Muktinath 3750m - 7 hrs walk**

Today is a challenging day as you cross the Thorong La Pass, standing at an altitude of 5,416 meters (17,769 feet). The pass offers breathtaking views of the Annapurna and Dhaulagiri mountain ranges. Descend to Muktinath, a sacred pilgrimage site revered by both Hindus and Buddhists.

### **Day 18 : Trek to Jomsom 2720m - 6 hrs walk**

Continue the trek through the Kali Gandaki Valley, known for its unique landscapes and strong winds. Reach Jomsom, a vibrant town located at an altitude of 2,720 meters (8,924 feet). Celebrate the successful climb and reflect on the remarkable journey.

### **Day 19 : Fly to Pokhara 820m - 25 min**

Take an early morning flight from Jomsom to Pokhara, enjoying the scenic aerial views of the Annapurna and Dhaulagiri ranges. Upon reaching Pokhara, transfer to your hotel and spend the rest of the day relaxing and celebrating your achievement.

### **Day 20 : Return to Kathmandu 1380m - 30min**

Today, you will drive or fly back to Kathmandu from Pokhara, marking the end of your Chulu East Peak climbing expedition. Once in Kathmandu, you can take the opportunity to explore the city, shop for souvenirs, or simply relax and reflect on your incredible adventure.

### **Day 21 : Departure from Kathmandu**

After a memorable journey and successful climb of Chulu East Peak, it's time to bid farewell to Nepal. You will be transferred to the airport for your departure flight, carrying with you lifelong memories and a sense of accomplishment.
