Overview

Chulu West Peak is an exciting climbing destination situated in the Annapurna region of Nepal. Standing at an impressive altitude of 6,419 meters (21,059 feet), it offers a challenging and rewarding adventure for mountaineers seeking to summit a Himalayan peak.

Chulu Peak is one of the most magnificent and stunning mountains. It is a portion of the larger Damodar Himal range in western Nepal's Manang region, which extends south from Chako Peak (6,687m) along the Nar, Phu, and Hunlung Khola.

We will hike through the barren but stunning Manang Valley, which truly does like a piece of heaven on earth. We will be able to take in Manang's bizarre topography and distinctive settlement. The Chulu West Peak climbing journey also takes us to one of the highest altitude Himalayan Passes at 5416 meters named Thorong La Pass which is also the highest point during the Annapurna Circuit Trek Route.

The trekking route for climbing Chulu West Peak is a spectacular one that offers the most stunning views of the surrounding peaks and the lush Nepali woods. We will also be able to take in breathtaking vistas of the Himalayan peaks Dhaulagiri, Nilgiri, Annapurna, and others as we make our way to the peak.

Trip Itinerary

Day 1 : Arrival in Kathmandu

Upon your arrival in Kathmandu, you will be greeted by our representative and transferred to your hotel. Take the rest of the day to rest and prepare for the upcoming climb. In the evening, there will be a briefing session with your climbing guide to provide essential information and conduct an equipment check.

Day 2 : Kathmandu Sightseeing and Preparation

Embark on a guided sightseeing tour of Kathmandu, exploring UNESCO World Heritage Sites such as Pashupatinath Temple, Boudhanath Stupa, and Kathmandu Durbar Square. In the afternoon, you will have free time to make any last-minute preparations and purchase any necessary gear for the climb.

Day 3 : Drive to Jagat 1300m - 9 hrs

Leave Kathmandu and enjoy a scenic drive to Jagat, a small village situated at an altitude of 1,300 meters (4,265 feet). The drive takes you through picturesque countryside, terraced fields, and charming villages. Spend the night in Jagat, preparing for the trek ahead.

Day 4 : Trek to Dharapani 1960m - 5 hrs walk

Begin the trek from Jagat, following the Marsyangdi River upstream. Pass through beautiful villages, lush forests, and cross suspension bridges along the way. Trek to Dharapani, a village located at an altitude of 1,960 meters (6,430 feet), and enjoy stunning mountain views.

Day 5 : Trek to Chame 2710m - 6 hrs walk

Continue trekking along the Marsyangdi River and enter the Manang district. The trail ascends through pine forests, offering breathtaking views of Annapurna II and Lamjung Himal. Reach Chame, the district headquarters of Manang, situated at an altitude of 2,710 meters (8,891 feet).

Day 6 : Trek to UPPER Pisang 3260m - 4 hrs walk

From Chame, the trail winds through forests and follows a steep and narrow valley. Enjoy spectacular views of Annapurna II and Pisang Peak as you trek

to the picturesque village of Pisang, located at an altitude of 3,230 meters (10,597 feet).

Day 7 : Trek to Manang 3540m - 6 hrs walk

Continue the trek from Pisang to Manang, a charming village situated at an altitude of 3,540 meters (11,614 feet). Manang offers a perfect blend of natural beauty and Tibetan culture, with opportunities to explore monasteries and interact with the locals.

Day 8 : Acclimatization Day in Manang 3540m

Another acclimatization day is essential for a successful climb. Spend the day in Manang, exploring the village, acclimatizing, and taking short hikes to nearby viewpoints. This helps your body adjust to the altitude and prepares you for the challenging climb ahead.

Day 9 : Trek to Chulu West Base Camp 4900m - 7 hrs walk

Leaving Manang, the trail gradually ascends towards the Chulu West Base Camp. The trek offers breathtaking views of the surrounding peaks and takes you through alpine meadows and rocky terrain. Reach the base camp, situated at an altitude of 4,900 meters (16,076 feet), and prepare for the climb.

Day 10 : Acclimatization and Training Day at Base Camp

Take a day to acclimatize and train at the base camp. Your climbing guide will provide a thorough briefing on climbing techniques, safety protocols, and the use of climbing equipment. You will have the opportunity to practice essential skills and familiarize yourself with the equipment.

Day 11 : Trek to High Camp 5530m - 3 hrs walk

From the base camp, the trail ascends steeply towards the high camp of Chulu West Peak. The terrain becomes more challenging as you navigate glacial moraines and steep slopes. Reach the high camp, situated at an altitude of 5,530 meters (18,143 feet), and prepare for the summit push.

Day 12 : Summit Day and Descend to Base Camp 6419m - 9 hrs walk

Today is the summit day. Begin the climb in the early hours of the morning, equipped with climbing gear and under the guidance of your experienced climbing guide. The ascent involves traversing icy slopes and negotiating rocky sections. From the summit of Chulu West Peak, standing at 6,419 meters (21,059 feet), you will be rewarded with breathtaking panoramic views of the surrounding peaks. Descend back to the base camp.

Day 13 : Contingency Day

A contingency day is included in the itinerary to account for any unforeseen circumstances such as bad weather or altitude-related issues. This day provides flexibility in case the summit attempt needs to be rescheduled.

Day 14 : Trek to Thorong Phedi 4450m - 5 hrs walk

Continue the trek from Base camp and make your way to Thorong Phedi, the last stop before crossing the Thorong La Pass. Thorong Phedi is located at an altitude of 4,450 meters (14,599 feet) and offers magnificent views of the surrounding peaks.

Day 15 : Cross Thorong La Pass and Trek to Muktinath 3780m - 8 hrs walk

Today is a challenging day as you cross the Thorong La Pass, standing at an altitude of 5,416 meters (17,769 feet). The pass provides breathtaking panoramic views and a sense of accomplishment as you traverse one of the highest mountain passes in the world. Descend to Muktinath, a sacred pilgrimage site revered by both Hindus and Buddhists.

Day 16 : Trek to Jomsom 2720m - 6 hrs walk

Continue the trek through the Kali Gandaki Valley, known for its unique landscapes and strong winds. Reach Jomsom, a vibrant town situated at an altitude of 2,720 meters (8,924 feet). Celebrate the successful climb and reflect on the incredible journey.

Day 17 : Fly to Pokhara 820m - 25 min

Take an early morning flight from Jomsom to Pokhara, enjoying the scenic aerial views of the Annapurna and Dhaulagiri ranges. Upon reaching Pokhara, transfer to your hotel and spend the rest of the day relaxing and celebrating

your achievement.

Day 18 : Return to Kathmandu 1380m - 30min

Today, you will drive or fly back to Kathmandu from Pokhara, marking the end of your Chulu West Peak climbing expedition. Once in Kathmandu, you can take the opportunity to explore the city, shop for souvenirs, or simply relax and reflect on your extraordinary adventure.

Day 19 : Departure from Kathmandu

After a remarkable journey and successful climb of Chulu West Peak, it's time to bid farewell to Nepal. You will be transferred to the airport for your departure flight, carrying with you lifelong memories and a sense of accomplishment.
